

AMBASSADOR  
OF THE  
REPUBLIC OF SINGAPORE  
TO CZECH REPUBLIC

9 April 2019

Mr Karel Havlíček  
Vice-Chairman of the Research, Development and Innovation Council  
Czech Republic

*Your Excellency,*

Thank you for receiving me in Prague on 25 March 2019. It was a great pleasure to see you again.

Further to our meeting, I am happy to convey the Singapore Government's nomination of Professor Tan Kian Lee to sit on the International Advisory Board of the Czech Research, Development and Innovation Council. Professor Tan is from the School of Computing of the National University of Singapore (NUS). His current research interests include query processing and optimization in multiprocessor and distributed systems, database performance, data analytics, and database security. We hope Professor Tan will be able to contribute meaningfully to your Council.

We should build on the positive momentum of Prime Minister Andrej Babiš Official Visit to Singapore in January 2019, and look into new areas of collaboration, including science and technology.

I wish you continued good health and success, and hope to meet you again in the near future.

*Yours sincerely,*

*Tan*

TAN SOO KHOON
