

CONSENSUS REPORT OF SCIENTIFIC PANEL OF THE INTERNATIONAL ASSESSMENT COMMITTEE

Acronym of LRI	
Full name of LRI	
Scientific domain	

1. SCIENTIFIC AND TECHNOLOGICAL ROLE AND MISSION

- a) **Scientific and technological scope and services provided to the user community**
(min. 1 000 characters with spacing)
- b) **Compliance with emerging scientific and R&D trends in Europe and in the world**
(min. 1 000 characters with spacing)
- c) **Progress in implementation and operation in the past period and current status**
(min. 1 000 characters with spacing)

2. GOVERNANCE AND MANAGEMENT STRUCTURE

- a) **Governance mechanisms, organisation chart and management structure**
(min. 1 000 characters with spacing)
- b) **Human resources policy and internal quality assurance instruments**
(min. 1 000 characters with spacing)
- c) **Gender balance and diversity and gender equality measures**
(min. 1 000 characters with spacing)

3. RELEVANCE, IMPORTANCE AND SIGNIFICANCE

- a) **Uniqueness of knowledge and technology expertise**
(min. 1 000 characters with spacing)
- b) **Position in the Czech, European and worldwide landscape**
(min. 1 000 characters with spacing)
- c) **Addressing of scientific and industrial community needs**
(min. 1 000 characters with spacing)

4. COOPERATION, NETWORKING AND CLUSTERING

- a) **Cooperation, networking and clustering in the Czech Republic**
(min. 1 000 characters with spacing)
- b) **Cooperation, networking and clustering in Europe and worldwide**
(min. 1 000 characters with spacing)
- c) **Synergies and complementarities with other initiatives and programmes**
(min. 1 000 characters with spacing)

5. SOCIO-ECONOMIC BENEFITS AND IMPACT

- a) **Development of new technologies and innovative products**
(min. 1 000 characters with spacing)
- b) **Local, regional and macro-regional socio-economic development**
(min. 1 000 characters with spacing)
- c) **Grand societal challenges and United Nations Sustainable Development Goals**
(min. 1 000 characters with spacing)

6. USER STRATEGY AND OPEN ACCESS POLICY

- a) **User strategy**
(min. 1 000 characters with spacing)
- b) **Open access policy**
(min. 1 000 characters with spacing)
- c) **Cooperation with businesses**
(min. 1 000 characters with spacing)

7. E-INFRASTRUCTURE NEEDS

- a) **Data management policy**
(min. 1 000 characters with spacing)
- b) **Internal e-infrastructure resources**
(min. 1 000 characters with spacing)
- c) **External e-infrastructure cooperation**
(min. 1 000 characters with spacing)

8. FEASIBILITY STUDY AND SWOT ANALYSIS

- a) **Risk, threats and mitigation measures**
(min. 1 000 characters with spacing)
- b) **Strategy for addressing main challenges**
(min. 1 000 characters with spacing)

9. BENCHMARKING

(min. 1 000 characters with spacing)

10. PUBLIC RELATIONS AND OUTREACH

(min. 1 000 characters with spacing)

11. CAPACITY USE AND R&D AND INNOVATION RESULTS

- a) **R&D and innovation results reached by the operator**
(min. 1 000 characters with spacing)
- b) **R&D and innovation results reached by the users**
(min. 1 000 characters with spacing)
- c) **Top-class and most valuable R&D and innovation results research by the operator**
(min. 1 000 characters with spacing)
- d) **Top-class and most valuable R&D and innovation results research by the users**
(min. 1 000 characters with spacing)

12. COSTS AND BUDGET

a) Operation costs

(min. 1 000 characters with spacing)

b) Investment costs

(min. 1 000 characters with spacing)

13. KEY PERFORMANCE INDICATORS

Make an assessment of the KPIs target values proposed by the management of LRI in the filled in assessment questionnaire. In the case that a KPI target value is viewed not sufficient enough, suggest an adjustment, including relevant justification.

(min. 1 000 characters with spacing)

(min. 500 characters with spacing for explanation of a KPI target value modification suggestion)

OVERALL OUTCOMES AND RECOMMENDATIONS

a) Following the assessment of individual features of the LRI, please sum up your evaluation and justify your overall grade by highlighting the major strengths and/or weaknesses of the LRI.

(min. 3 000 characters with spacing)

b) Please specify what recommendations for the future (up to 5 top priority) do you give to the LRI as regards addressing the weaknesses that you identified during the evaluation process.

(no min. limit)

Overall grade:	5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low 0 – Does not comply with the basic criteria of a large research infrastructure
